Mr S. H. Posey  
Logan Hotel  
Washington D.C.

Dear Posey:

You told me in your letter you would call me Saturday or Sunday, but it is getting late Sunday and I havent heard from you, so I decided to write.

First of all, what you have arranged, or are trying to arrange for August 1st to 8th, is alright with me. Let me know when it is arranged, who to send publicity to. Also ask them to arrange for rooms.

Now about the Mexican mess, I have not been able to get any of the negroes addresses. The fellow who I know had Wells is in the army, and I cant find any one else who will admit they have it. This is the address of one of the men who has a team down there if that will do any good.

Now Posey, PLEASE get me the statement of money you advanced to umpires for May and June. The money advanced in May is supposed to be taken out of June dues, and the money advanced in June taken out of July. All the teams have sent this but The Grays, and I hate to send the July 15th statement out without your statement. Then too in checking Gottliebs statement of money paid McClary with the statement sent me by The Elites and St. Louis, McClary had been way overpaid. The Elites gave him \$20.00 May 29th and Gottlieb only had him charged with \$7.50. The same thing happened with St. Louis, only a smaller amount. You may have given him something that has not been taken out. Please separte salary paid from transportation.

Gottlieb is also giving Semler and Pompey credit for all the money paid umpires at Yankees Stadium. I do not think this is fair, but I guess we will have to take it up at the meeting. What do you think.

Very Truly Yours
